To the Chambers of Judge Melissa Damian,

I am following up to a call that I made earlier this morning to Judge Damian's chambers. I had called to confirm that this matter was set for the jury trial calendar for the first two weeks of November. On the call, I indicated that the ECF database did not list a Jury Demand (shown below) and wanted to confirm that we were still set for a jury trial during that period.

Chambers indicated that this may result in potential changes to the pretrial schedule and that Judge Damian may hold a bench trial instead. Since that may result in substantial changes, I am following up in writing and including all counsel so they are aware. If Judge Damian would like to hold a status conference to discuss with all parties present, please let us know.
